

Missionary Arrival

Dear Brother and Sister Gee,

We welcomed Elder Gee to the California Anaheim Mission! How grateful we are for your willingness to share him with us for the duration of his mission. We hope they will have valuable missionary experiences here while they wait for their visas.

He arrived with a wonderful smile, suggesting he is happy to be here, and had a discernable light, signifying he is ready to serve. Elder Gee will learn all about the mission through his trainer, . Please keep them both in your prayers as they support each other in the work.

To keep up with the Mission happenings, feel free to join the California Anaheim Mission 2023-2026 Facebook page. Be sure to answer the review questions so we can quickly accept your request to join the page. You can also have your missionary invite you to join. We limit page-members to our missionaries and their families. We hope this will provide a wonderful glimpse of your missionary's daily life.

Important: Section 3.9.6, Personal Visits from Family and Friends, in the "Missionary Standards for Disciples of Jesus Christ" handbook states the following:

"Generally, family and friends should not visit you during your mission. However, under special circumstances, your mission president may approve an exception. These visits should be short and not interfere with your missionary duties. A visit should not inconvenience your companion, other missionaries, or the people you teach. Take care that any such visit does not pull your thoughts away from your service or create a financial problem for your family."

If your circumstances require a visit, please contact the Mission Office at 714-972-3900.

Our Missionaries are learning to be obedient and as parents I would ask for your support in helping them learn exact obedience. Sister Galotera and I love our missionaries and our desire is to help them emulate the life of the Savior.

Thank you for sending us such good, committed missionaries. May the Lord bless you and your family as they serve.

Yours in the Gospel,

President Jerome G. Galotera
